RE: United States v. Jesus Alberto Brito Maldonado
21 Cr. 167 (LJL)

1/18/2022

SO ORDERED.

LEWIS J. LIMAN
United States District Judge

Honorable Judge Liman:

I write in response to the Court's January 12 Order to request that the Court allow Mr. Brito's change of plea proceeding to be conducted remotely, pursuant to the CARES Act. I make this request in light of the ongoing COVID-19 pandemic and the inherent risks to the parties of conducting an in-person proceeding at this time.

The Government has extended a plea offer to Mr. Brito that would permit him to plead to a violation of 18 U.S.C. 2114. Mr. Brito is prepared to accept this plea offer, however, an in-person change of plea hearing at this time, in light of current COVID-19 conditions, would pose unnecessary risks to the health of the parties. New York City is in the midst of a winter surge in COVID-19 cases caused by the rapid spread of the Omicron Variant. The city faces high COVID infection rates and an increasing number of COVID-related deaths.¹ An indefinite delay of the plea, however, would unnecessarily waste judicial resources and prolong resolution of this case which has been pending since February 12, 2021.

For the reasons above, I submit that under the CARES Act, Mr. Brito's plea "cannot be further delayed without serious harm to the interest of justice." I respectfully request that the Court conduct the plea proceeding remotely by videoconference or teleconference.

Thank you for your consideration of this matter.
